Dear Colonel Watrous:

A note of appreciation to you and your staff for the hospitality shown to me and my assistant at FTD last week. The briefings were informative, well done, and exactly the survey I needed to better understand FTD's mission.

Please express my appreciation to all members of your staff who participated in the visit, particularly to Tony Cacioppo, Colonel Larry Benson, Clyde Allgood, Ken Miller, Bill Holder, Ken McDavid, Captain Mike Pflieger, Major Paul Sharp and Mike Coil.

If I can be of assistance to you or to Captain Bennington as he takes up his post here, please let me know.

Sincerely,

Executive Director

Dear General Marks:

A brief note to thank you for suggesting and catalyzing the visit I made with my Exec to FTD last week.

Col. Watrous and all of his people were extremely hospitable. I hadn't been to FTD in almost 20 years and was very impressed with the facility. The briefings were informative, well done and just exactly the survey of activity I needed to get up to date. [REDACTED]

Thanks again.

Sincerely,

Executive Director

Dear [Redacted]

STAT

As I mentioned during our 24 September telephone conversation, I would be pleased to host you at FTD sometime in the near future. A visit would provide us an opportunity to update you on our capabilities as the center of USAF scientific and technical intelligence. Furthermore, it would create a forum to identify areas of common interest. I'm sure such a visit would be mutually rewarding.

We can readily accommodate your schedule, whether it be for one hour or an entire day. I hope you will be able to visit us. Final arrangements can be made with Major Francis Buchan, my Executive Officer, at 513-257-3910.

Sincerely

David S. Watrous
